We are extremely proud to tell the Lostock community that we have been judged as a **GOOD school by Ofsted**. Results at GCSE level impressed Ofsted. We are extremely pleased, it proves what we knew all along—Lostock is a GOOD school.

In June 2015, the inspectors were impressed with several areas and classed our Safety and Protection of students as Outstanding. Praise also came for the commitment of teachers to the school. Students told inspectors they felt supported and challenged by staff, and enjoyed learning.

Well done Lostock College
